Re: New England Power Pool - FERC Docket No. ER17-1364-000
Correction to Attachment 1: Marked List of Participants

Dear Secretary Bose:

On March 31, 2017 in the above captioned docket, the New England Power Pool (“NEPOOL”) Participants Committee¹ filed materials to expand the NEPOOL membership to include GridAmerica Holdings Inc. (“GridAmerica Holdings”). Included as Attachment 1 to that filing were marked sheets from the list of NEPOOL Participants from the Second Restated NEPOOL Agreement marked to show the addition of GridAmerica Holdings to, and certain name changes in, the list of NEPOOL Participants. To ensure an accurate record in this proceeding, we have included herewith a revised sheet no. 65 to correct typos in the effective date of the GridAmerica Holdings’ membership row and of the sheet itself. No other correction is necessary -- the April 1, 2017 eTariff record effective date, and the same effective date noted therein, which are controlling, are both correct.

We apologize for any inconvenience the typos may have caused. If there are any questions or concerns with this correction, please contact the undersigned.

Respectfully submitted,

NEPOOL PARTICIPANTS COMMITTEE

By: 
Patrick M. Gerity
Its Counsel
