Re: New England Power Pool - FERC Docket No. ER18- _____-000
Termination of NEPOOL Memberships

Dear Secretary Bose:

The New England Power Pool (“NEPOOL”) Participants Committee¹ hereby submits this transmittal letter electronically along with materials supporting the termination of the membership of the following Participants:

- Emera Energy Services Subsidiary No. 10 LLC (“Emera ESS10”);
- Emera Energy Services Subsidiary No. 13 LLC (“Emera ESS13”);
- Emera Energy Services Subsidiary No. 14 LLC (“Emera ESS14”);
- Epico USA, Inc. (“Epico”);
- Shipley Choice, LLC d/b/a Shipley Energy (“Shipley”); and
- Western Massachusetts Electric Company (“WMECO”).

These materials are submitted in order to terminate the Participant status of Emera EES10, Emera EES13, Emera EES14, Epico, Shipley, and WMECO (collectively, “Terminating Participants”).

I. TERMINATION OF MEMBERSHIPS

Pursuant to Section 16.1(a) of the Second Restated NEPOOL Agreement, “[a]ny Participant shall have the right to terminate its status as a Participant upon no less than sixty (60) days’ prior written notice given to the Secretary of the Participants Committee.” Terminating Participants have each provided such notice, requesting waiver of the sixty days’ notice requirement. (*See* Attachments 2-7). Terminating Participants have each requested that termination of its status as a Participant be made effective as of January 1, 2018. If the termination of the memberships of

¹ Capitalized terms used but not defined in this filing are intended to have the same meaning given to such terms in the Second Restated New England Power Pool Agreement (the “Second Restated NEPOOL Agreement”), the Participants Agreement, or the ISO New England Inc. (“ISO-NE”) Transmission, Markets and Services Tariff (“ISO-NE Tariff”).

The Honorable Kimberly D. Bose, Secretary
January 31, 2018

Terminating Participants are each accepted for filing by the Commission, each will be excused from its obligation to pay Pool charges and relieved of its other Pool obligations and responsibilities incurred from and after January 1, 2018.

II. REQUESTED EFFECTIVE DATE

Terminating Participants have each requested expedited consideration of their membership terminations. Accordingly, the NEPOOL Participants Committee requests that the Commission waive any applicable notice requirements to permit the following effective date:

- **January 1, 2018** for the termination of the Participant status of each of the Terminating Participants.²

The NEPOOL Participants Committee further requests that the eTariff record effective date be set at January 1, 2018.³

III. ADDITIONAL SUPPORTING INFORMATION

The NEPOOL Participants Committee has the authority, pursuant to Section 3.1 of the Second Restated NEPOOL Agreement and Sections 8.1.3(f) and (g) of the Participants Agreement, to act on an Entity's request to terminate its status as a Participant in NEPOOL. By delegation of authority, the Participants Committee has authorized the Membership Subcommittee to approve membership termination requests. The Membership Subcommittee has reviewed the materials submitted by Terminating Participants, and has approved the termination of their Participant status from NEPOOL. Accordingly, the following materials are submitted herewith for filing:

- The list of NEPOOL Participants from the Second Restated NEPOOL Agreement, which has been marked to show the removal of Terminating Participants from the list of NEPOOL Participants (Attachment 1);

² To the extent the Commission determines that certain filing requirements have not been met fully, the NEPOOL Participants Committee respectfully requests waiver of such requirements in order for the termination of the Participant status of Terminating Participants to be accepted as noted in Section II. No party will be adversely affected by the waivers requested in these circumstances.

³ The Commission has relieved NEPOOL of the requirement to file changes to the NEPOOL Agreement in tariff format. *ISO New England, Inc. and New England Power Pool*, 95 FERC ¶ 61,384 at 62,441-42 (2001). Accordingly, the NEPOOL Agreement has not been filed formally as an eTariff pursuant to Order No. 714. However, proposed changes to the NEPOOL Agreement are still required to be filed with the Commission with enough information provided to permit the Commission to view the proposed changes in the context of the composite Agreement, *Id.* at 62,442. As a matter of administrative efficiency and convenience, these materials, including Attachment 1 included herewith marked to show the removal of Terminating Participants from the list of NEPOOL Participants, were submitted using the Commission's eTariff system. A composite list of NEPOOL Participants is posted on the NEPOOL website at: http://www.nepool.com/uploads/C-list_of_nepool_participants.pdf. A composite copy of the Second Restated NEPOOL Agreement is posted at: http://www.nepool.com/uploads/Op-2d_RNA.pdf.

- A list of governors and utility regulatory agencies in Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont to which a copy of this filing has been sent (Attachment 8).

The materials filed herewith do not change the NEPOOL Agreement as previously filed with the Commission, other than to terminate the Participant status of Terminating Participants in NEPOOL. Therefore, no comparisons of the transactions and revenues or cost data are submitted.

An electronic copy of this filing has been furnished to all the members and alternates of the Participants Committee, which represent all of the electric utilities rendering or receiving service under the ISO-NE Tariff,⁵ as well as each of the independent power producers, power marketers, power brokers, load aggregators, customer-owned utility systems, merchant transmission providers, developers, and end users that are currently Participants in the Pool. This transmittal letter and the accompanying materials have also been sent to the governors and electric utility regulatory agencies for the six New England states which comprise the New England Control Area, to the New England Conference of Public Utilities Commissioners, Inc., and to the Executive Director of the New England States Committee on Electricity.

⁴ WMECO has since merged with and into NSTAR Electric Company, which is and will remain a NEPOOL Participant and ISO-NE Market Participant.

⁵ The Commission approved the settlement agreement pursuant to which the regional transmission organization for New England (the “RTO”) was established. *ISO New England Inc.*, 109 FERC ¶ 61,147 (2004). Activation of the RTO was noticed in accordance with the settlement agreement and became effective on Feb. 1, 2005. *See also* Order Authorizing RTO Operations, *ISO New England Inc.*, 110 FERC ¶ 61,111 (2005).

RE: Notice of Intent to Terminate NEPOOL Membership and Market Participant Status for WMECO, CAMS ID: 50093

Please accept this letter as notice of termination of Western Massachusetts Electric Company's ("WMECO's") NEPOOL membership and the Market Participant Service Agreement (the "MPSA") by and between WMECO and ISO New England Inc. ("ISO-NE").¹ On December 31, 2017, at 11:59 p.m., WMECO will be merged with and into NSTAR Electric Company, an existing NEPOOL member and Market Participant. However, in accordance with orders of the Massachusetts Department of Public Utilities, and with certain sections of the ISO-NE Transmission, Markets and Services Tariff, the post-merger NSTAR Electric Company will need to maintain separate accounts, books and records for the former NSTAR Electric Company and WMECO entities. Thus, NSTAR Electric Company will work with ISO-NE to set up separate tariff billing IDs and subaccounts as necessary.

WMECO requests that the termination of its status as a NEPOOL Participant and the termination of the MPSA be made effective as of January 1, 2018, and further requests, if and to the extent necessary, that the NEPOOL Participants Committee waive the sixty-days' notice of termination of membership requirement set forth in Section 16.1(a) of the Second Restated NEPOOL Agreement.

WMECO understands that this termination of NEPOOL membership must be accepted by the Federal Energy Regulatory Commission and that, until such time as it is accepted, WMECO will continue to have the full rights and obligations of other Participants under the Second Restated NEPOOL Agreement, which rights and obligations will be assumed by NSTAR Electric Company.

WMECO further understands that termination of the MPSA and the termination of WMECO's status as a NEPOOL member does not affect any obligation of, or to, WMECO arising prior to the effective date of such termination under the Second Restated NEPOOL

¹ The ISO New England MPSA with WMECO was executed on February 1, 2005 and is reported by ISO New England as MPSA No. 49.

Agreement, the Participants Agreement, or the ISO New England Transmission, Markets, and Services Tariff. In particular, WMECO hereby acknowledges its obligation to pay all of its NEPOOL and ISO New England Inc. expenses incurred while a NEPOOL member and participant in the New England Markets.
