

CHATHAM BARS INN

PARKING INSTRUCTIONS

All Summer Meeting attendees, whether or not staying at Chatham Bars Inn, are requested, upon first arrival, to drive to the valet circle located behind the Main Inn off of Shore Road. Please do not drive up to the front of the Main Inn, or attempt to park in the area adjacent to the Monomoy meeting space. That lot, as well as the parking spaces in front of the cottages, are now gated with key card-only entry.

Proceed to the valet circle. The valet team will direct you from there. Those staying in the Main Inn, or whose accommodations are not available upon arrival, or who are simply attending the meeting for the day but not staying at the Inn will have their car valet parked. Valet parking each day is complimentary and you are encouraged to take advantage of that service, particularly since there is no longer parking available outside the meeting rooms (that space is now reserved for the use of the valet team).

Shuttle Service. There is a shuttle service in and around the property, available on a first-come, first-served basis. Call ahead 15-30 minutes to request pick up from your guest room. Service times vary based on utilization.
